While working on her What's Below collection in London, Merenda was inspired by some beautiful oysters she had eaten. After bringing the shells back to her flat and doing several continuous line drawings with pen on paper for each of the shells, **Oysters** was born.

Oysters played a major role in NYC's history—from the Lenape Native Americans who used them for food, plaster, tools and burial grounds, to the great oyster trade era near the turn of the 20<sup>th</sup> century. Oysters were so abundant that they used the shells to pave the streets.

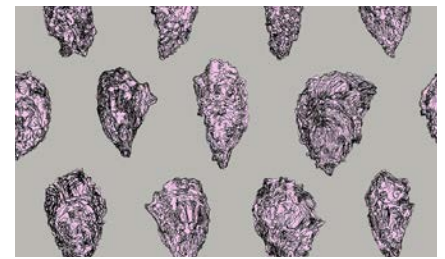

- **Sizes:** 40" wide per yard on a continual bolt  
OR by panel (either 9', 10'6" or 12' long)
- **Pattern Repeat:** 40" wide by 29.5" long
- **Pattern Match:** Straight
- Paper comes untrimmed.
- Learn about our substrate offerings at [MerendaWallpaper.com/FAQS](https://MerendaWallpaper.com/FAQS).
- All of our designs are digitally printed to order, which allows us to print **custom panel lengths** for a unique wall height. Please contact [Info@MerendaWallpaper.com](mailto:Info@MerendaWallpaper.com) for custom lengths, pricing or additional substrate options.
